

Security Measures in Cedar Grove Public Schools

February 27, 2018

Annual Initiatives

- Annual review of Security Management Plan with District Security Team
 - Annual training on Active Shooter and other security drills via CGPD and Safe Schools including barricading
 - Annual trainings for School Security Specialist and other associated personnel
 - Continued walkthroughs by CGPD throughout district buildings
 - Police presence at pick-up/drop-off zones in the AM and PM
 - Continued participation and collaboration with CGPD on all mandated monthly security drills
 - Police access to cameras as per Memorandum of Agreement (MOA)
- 

The past five years....

- Cameras and recording devices installed in all school buildings - upgrade to system this year
 - Panic Buttons installed in main offices that relay to 911
 - Increased communication devices (radios in each building - designated Wing Captains)
 - 3M Window Security Film strategically placed on windows in all buildings
 - Strike Plate Door Security Magnets for all schools
 - Vegetation Barrier planted at CGHS as per security recommendation
 - Electronic ID Card access to all CGHS classrooms and offices
 - Electronic ID Card entry at SE, NE and MMS (front door)
- 

The past five years....

- Go Buckets being implemented in all buildings
 - Additional door security measures - Fire Hose
 - Window Shades for interior classroom doors to be used during Lockdowns
 - Classroom and office identification on outside windows for first responders
 - Office of School Preparedness and Emergency Planning from the NJDOE attended Lockdown drills at buildings and provided feedback
-
