The Pre-K Program provides a fun environment where children can familiarize themselves with their new school and classmates as they approach kindergarten!

The program features arts-and-crafts activities, visits from special guests, a tour of the school, and snacks for the children. It is open to all children who will be attending kindergarten in 2019-2020.

The program takes place **the first Saturday of each month**. We will not meet in January.

Children must live in the Cedar Grove School District's South End and be 4 years of age by October 1, 2018.

This program is presented by the South End Family & School Association.
