

# CGEF GIVING TREE

The Cedar Grove Education Foundation is proud to offer an opportunity to show your support to Cedar Grove Schools as well as become a permanent part of the aesthetics through the purchase of an engraved leaf or boulder for the CGEF Giving Tree.

Each leaf or boulder will feature either the donor's name (i.e. Donated by Jane Doe) or someone or group to be honored (Class of 2014 or ABC Company). The Giving Tree is located in Cedar Grove High School outside of the auditorium. Leaves will be displayed on a cast trunk and boulders surround the trunk.

The mission of the Cedar Grove Education Foundation (CGEF) is to enrich and enhance the educational experiences of Cedar Grove students above and beyond the scope of the regular curriculum and to provide lifelong learning opportunities for the entire community.
