

**For Students Entering Grade 5 Social Studies - World Geography
Summer Assignment 2019**

Questions regarding this assignment should be directed to Mr. Browne at browne.alan@cgschools.org

This assignment should be printed, completed, and turned in on the first day of school.

Understanding the continents and their locations is an important part of 5th grade social studies. We will spend the year traveling the globe and learning about the continents, where they are located, the various physical regions, the people, and history of these continents.

1. Please click on the link below to help familiarize yourself with the 7 continents. You need to click on each continent to read about them, and write down 2 facts you learned about each one in complete sentences. The answer sheet is below. You may also click on the various tabs on each continent to learn more about them!

<https://www.dkfindout.com/us/earth/continents/>

2. Please fill in the attached map of the world and color the continents.

****Please complete and return both sheets on the first day of school in September!****
