

Dear NE Parents & Guardians,

Our PK & Kindergarten classes are starting a theme about “COLORS” beginning on Wednesday, October 16th! They will be reading a lot of stories about colors and doing various projects revolving around “colors”. **PK & Kindergarten classroom teachers would like the children to wear a certain color and bring a coordinating snack each day** to help us celebrate our “Color Unit.” For example, on green day your child can bring in a: green apple, cucumbers, string beans, green yogurt, etc. However, **all grade levels can participate** by volunteering to wear the specified color each day.
