Dear Parents & Guardians,

To help foster communication and cooperation among all members of our school community, I am continuing the Parent/Principal Round Table group. This will give me an opportunity to understand how I can better serve the needs of our students in order for them to be prepared and successful in their future. The group will focus on being positive and proactive with a strong emphasis on creative problem solving. I also ask that members act as “key communicators” relative to the topics of our discussions and in turn share them with other Parents/Guardians. This group will meet throughout this year, tentatively scheduled for November 29, January 10, March 21, and May 30 from 7:40 AM - 8:20 AM. (This will allow you to drop off your child at morning care and still attend the meeting, if your schedule permits.) We will discuss and share perspectives on a wide variety of educational topics that affect our children.

I am looking for one parent from each grade to serve as a representative. If you are interested in participating, please complete the tear-off below and return it to your child’s teacher by Wednesday, November 7. Once you have returned the tear-off to the office, I will place the names of the volunteers in a lottery and one will be selected from a random drawing. If you have any questions regarding the group, please do not hesitate to contact me at any time.

Sincerely,

Traci L. Dyer
