## DIRECTORY INFO!

**If you submitted your info for the directory earlier this year but have not downloaded the app, here's what to do:**

1. Go to the App Store on your phone and download the app called DIRECTORY SPOT.
2. Select FORGOT PASSWORD, and enter the email address that is part of your directory listing. (If multiple parents/guardians have an email address listed, you can each do this on your own device.)

NOTE: The app is FREE to download and use!

**To print out a hard copy of the directory:**

- Go to DirectorySpot.net on your computer.
- Log in using your email address and password.
- Under DIRECTORY along the top, go to DOWNLOAD PDFs.
- Select what you would like and print.

**Need to be added?**

If you have not submitted your info to the directory but would like to, please email directory chairs, Rachel Bozek and Kristy Giordano, and use the subject DIRECTORY / [YOUR CHILD'S LAST NAME].
