

5th Annual

***Kindness for Christopher* Pajama Drive** **November 8-December 18, 2021**

Please join us in our 5th Annual Kindness for Christopher Pajama Drive. We will be **collecting pajamas of all sizes (newborn-adult) to be donated to patients at Hackensack University Medical Center in memory of 10-year-old, Christopher D'Amico.**

Christopher passed in tragic boating accident that ended his time with us way too soon. In his short 10-years on Earth, Chris was a shining light that could always make you smile. He had a genuine heart of gold and had a habit of thinking about others. He was the boy that made sure everyone felt included and the child that asked for donations to the animal shelter in lieu of birthday presents. As his final gesture, he became an organ donor who gave the gift of life to so many in need.

Christopher's family only asks that we, as a community, live a life of kindness in Christopher's name. Please help us keep this beautiful boy's legacy alive through random acts of kindness and through our pajama drive in his name.

Sincerely,
Matt & Mike McAuliffe

Christopher D'Amico, Jr.
June 10, 2005-June 24, 2015
