What is an Integrated Preschool Program?*

The Integrated Preschool Program (IPS) is different from other preschool programs in that it incorporates the education of general education preschoolers with preschoolers with special needs. Students with special needs are placed in the program through an evaluation process performed by the Special Services department. Highlights of the program include:

- Creative Curriculum - State-approved**
- Integrated Motor Skills**
- Music Therapy**
- Technology - Use of iPads, Smartboard. Chromebooks**
- Group Social Skills**
- Group Social Speech**

***Please note: In order to be accepted into the IPS program, children MUST BE TOILET TRAINED. There are no exceptions.**

The age range is 3-4 years old with no child turning 5 before October 1, 2022. All children in the program will attend five days a week (8:20 am - 3:05 pm).

Application Process

Applications for general education students will be accepted until 3:00 pm on Friday, February 25, 2022. If the number of applicants exceeds the available spaces, accepted students will be determined by lottery. The lottery drawing, if necessary, will take place on Monday, February 28th in the LRP administrative building located at 520 Pompton Avenue. A waiting list will be developed consisting of additional names in order of the draw. Parents will be notified via email of acceptance into the IPS Program by Tuesday, March 1st.

Tuition and Payment Process

To subsidize the cost of this program, tuition for each general education child will be in the amount of \$6,500. Each family that is accepted into the program will be required to submit a \$500 non-refundable deposit at the time of registration. Tuition may be paid in full or you may take advantage of our convenient monthly payment plan.

If you have any questions, please contact my office at (973) 239-1550 ext. 6200.

Sincerely,

Christopher Kinney
