

Don't Miss Out! The 2022 Cedar Grove Junior Panthers Football and Cheerleading Registration is NOW OPEN

Dear Parents,

Building upon the momentum of a very successful season that saw the highest number of players in the last 10 years, the Cedar Grove Junior Panthers are excited to announce that registration is now open for the 2022 season for both the Football and Cheerleading Programs.

We are incredibly proud of your young athletes and all that they accomplished last season, including a Super Bowl appearance for our A Team and a Playoffs appearance for our C Team. However, as much as we love winning, true glory comes when we work together to give back to the community. With opening day taking place on the 20th anniversary of the September 11th terror attacks, we saw the opportunity for a teachable moment for the kids in our program and held a ceremony to commemorate the lives lost on that tragic day. At that event, we also had the distinct honor of paying tribute to two of our town's bravest heroes—Bill Fearon and Nicky Storms.

The Cedar Grove Junior Panthers have also provided more than \$25,000 scholarships to local student-athletes in the last 10 years, which is a source of tremendous pride.

We are doing great things both on and off the field, and we hope you will register to join us for another amazing season!

The Cedar Grove Junior Panthers welcomes back previous players and invites new players and cheerleaders to join our family--no previous experience is required.

We ask that you please register as soon as possible, as we are facing an uphill battle with supply chain issues, and we want to make sure that everyone has the uniforms and equipment they need in time for a great season! **The final deadline for registration is June 15, 2022.** *Please note that information about registration for Flag Football and the Summer Football Clinic will be sent out in the following weeks.*
